

## BIOLOGY

- I. General Education: BIO 1101 Biology in Society I\* and 1102 Biology in Society II\* may be applied to satisfy the Science Inquiry requirement in General Education.
  
- II. Biology Second Academic Concentration Requirements..... 18 SH
  - A. Biology Requirements.....10 SH
    - BIO 1101 Biology in Society I\* .....4 SH
    - BIO 1102 Biology in Society II\* .....4 SH
    - BIO Elective.....2 SH
  
  - B. Other Science Courses .....8 SH
    - Other science courses with laboratory in **TWO** of the following disciplines:
  
    - Astronomy.....4 SH
    - Chemistry .....4 SH
    - Geology.....4 SH
    - Physics .....4 SH

Since part of the semester hours in biology are not specifically identified for the second academic concentration, students should contact the Department of Biology early in their program for assistance in course selection.

*Students must observe all prerequisites for courses as listed in the GENERAL BULLETIN. Not all courses are offered every semester. The student should consult the BULLETIN and "Schedule of Classes" to identify which courses are offered which semester.*

Students should contact the Chairperson in the Department of Biology as soon as they decide on Biology as a second academic concentration.

Contact Person:       Dr. Steve Seagle, Chairperson  
                              Department of Biology
