1. It is expected that students will attend two summer sessions to accrue 9 s.h. of coursework including a summer internship.
2. Supervisors for HPC 6900 are certified AAMFT Clinical Supervisors. The 3 internship semester will cover a calendar year. Students will receive 2 hours of group and 1 hour of individual supervision each week. Students will complete 500 hours of direct client contact.
3. Before the completion of nine semester hours, it is the student's responsibility to develop with his/her advisor a written plan of study.
4. Prior to enrolling in HPC 6900, students are expected to fill out the appropriate form, countersigned by the advisor and department chair. Also prior to the taking of the departmental comprehensive examinations, a request form is required and can be obtained in the departmental office.
5. A thesis option is available with faculty approval.
6. The program does not discriminate based on age, culture, ethnicity, gender, physical disability, race, religion, or sexual orientation.
