1. Approval of Minutes from the January 14, 2010 meeting:

Minutes were approved with no changes needed.

2. Proposals:

The proposal listed on the agenda (MAT 3030) was a cross-listed course and already approved through all the channels so no action was necessary by the Council.

3. Enrollment Update:

Diana Beasley gave an update on the enrollment numbers for the Fall 2010 and the Spring 2010 applications. (See the handout attached.)

4. Transition Plan:

The plan for the transition from the current program to the revised teacher education program was available for members who did not already have the plan. (Copy attached) Dr. Duke encouraged all members to read and provide input with any questions or concerns they might have. Several council members complimented the writers of the plan and how thorough it seemed to be put together. There is now a link on the College of Education website (www.ced.appstate.edu) to access the plan and it has been sent to all relevant populations. As a special note, Dr. Duke stated that background checks are required – essential – mandatory. They MUST be completed prior to Field Experiences in 2300.

5. Other:

Dr. Duke gave the council a draft copy of a proposed program for ASU Beginning Teacher Quality Assurance Program. (Copy attached) He asked for feedback from the group on the proposed plan to be presented at the next Teacher Education Council meeting scheduled for April 15, 2010.

Next Meeting: April 15, 2010 in Octagon O2 at 3:30 pm
